Quicken Conversion Instructions

As Envision Bank completes its system conversion to Abington Bank, you will need to modify your Quicken settings to ensure that your data connectivity transfers smoothly to the new system. This document contains instructions for both Windows and Mac.

To navigate this document, just click the link or links below that match your product and connectivity:

Instructions for Downloading a Web Connect file from your Online Banking Site

Quicken Windows Web Connect - Page 2

Quicken Mac Web Connect - Page 3

Quicken Windows Web Connect

On Friday, November 4th, 2022:

1. Backup Quicken Windows Data File and Update.

    a. Choose **File > Backup and Restore > Backup Quicken File**.

    b. Download the latest Quicken Update. Choose **Help > Check for Updates**.

2. Complete a final transaction download.

    a. Complete last transaction update before the change to get all of your transaction history up to date.

    b. Repeat this step for each account you need to update.

    c. Accept all new transactions into the appropriate registers.

On or after Monday, November 7th, 2022:

1. Deactivate online banking connection for accounts connected to Envision Bank.

    a. Choose **Tools > Account List**.

    b. Click **Edit** on the account to deactivate.

    c. In Account Details, click **Online Services**.

    d. Click **Deactivate**. Follow prompts to confirm deactivation.

    e. Click the **General** tab.

    f. Delete Financial Institution and Account Number information.

    g. Click **OK** to close window.

    h. Repeat steps for any additional accounts.

2. Reconnect online banking connection for accounts at Abington Bank.

    a. Download a Quicken Web Connect file from Abington Bank's online banking site.

    b. In Quicken, choose **File > File Import > Web Connect (.QFX) File**.

    c. Use the import dialog to select the Web Connect file you downloaded. An "Import Downloaded Transactions" window opens.

    d. Choose **Link to an existing account**. Select the matching account in the drop-down menu. Associate the imported transactions to the correct account listed in Quicken.

    e. Repeat this step for each account you have connected to this institution.

Quicken Mac Web Connect

On Friday, November 4th, 2022:

1. Backup your Quicken Mac data file and update the application.

    a. Choose **File > Save a Backup**.

    b. Download the latest Quicken Update. Choose **Quicken > Check for Updates**.

2. Complete a final transaction download.

    a. Complete last transaction update before the change to get all of your transaction history up to date.

    b. Repeat this step for each account you need to update.

    c. Accept all new transactions into the appropriate registers.

On or after Monday, November 7th, 2022:

Activate online banking connection for accounts connected to Abington Bank.

1. Select your account under the Accounts list on the left side.

2. Choose **Accounts > Settings**.

3. Select **Set up transaction download**.

4. Enter Abington Bank in the search field, select the correct option and click **Continue**.

5. Log into Abington Bank's online banking site and download your transactions to your computer.

    Important: Take note of the date you last had a successful connection. If you have overlapping dates in the web-connect process, you may end up with duplicate transactions.

6. Drag and drop the downloaded file into the box titled **Drop download file**. Choose **Web Connect** for the "Connection Type" if prompted

7. In the "Accounts Found" screen, ensure you associate each new account to the appropriate account already listed in Quicken. Under the Action column, click **Link** to pick your existing account.

    Important: Do NOT select "ADD" in the Action column unless you intend to add a new account to Quicken.

8. Click **Finish**.
